

Dear Beginning Knitting Class Students,

Welcome and thank you for choosing to take the course!

As you already know, you will need certain materials for the course.

These are:

- 1) Knitting needles of size US 6,7, or 8
- 2) 3.5 ounces (100 grams) of worsted weight yarn (approximately 220 yards per 100 grams) which is smooth, not textured, and may be any color not too dark (no black or navy blue)
